NOTIFICATION OF TYPOGRAPHICAL ERROR

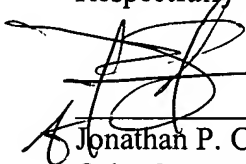

In the declaration ("Declaration") filed on November 3, 2003, a typographical error appears in the inventor's name. Specifically, the second inventor's last name should be corrected from "Bryne" to --Byrne--. Evidence of this typographical error may be seen in the inventor's signature on the Declaration, where the inventor has signed as "Byrne," and the cover sheet to this application where the inventor's last name is listed as "Byrne."

In accordance with MPEP § 201.03, Applicant hereby notifies the Patent Office of this typographical error. Applicant believes a request under 37 CFR 1.48 is not required where a typographical error in the spelling of an inventor's name is discovered and that a new oath or declaration is not required. Further, Applicant requests that reference to this notification be made on the previously filed declaration, in accordance with MPEP § 605.04(g). Additionally, Applicant hereby requests a corrected Official Filing Receipt be issued showing the corrected inventor's name as Robert "Byrne."

Applicant believes no petition is necessary with this notification. If this belief is incorrect, or other issues arise, do not hesitate to contact the undersigned or his associates at the telephone number listed below. No fee is believed due. However, please apply any charges not covered, or any credits, to Deposit Account 50-0591 (Reference Number 03226.442001; P7527).
